However, such spirits shall, if distilled from a fermented mash of not less than 80 percent corn, be designated "Corn Whisky."

(b) *Change of designation.* A proprietor may, on written application to, and approval of the regional director (compliance), change the original des-

(c) *Other designations.* If the proprietor proposes to produce spirits for which a designation has not been prescribed, he shall first make written application to the Director for a designation for such spirits and such spirits shall be branded accordingly.

(d) *Spirits for nonindustrial use.* The provisions of this section shall not be construed as authority for applying designations to spirits withdrawn for nonindustrial use which designations do not comply with provisions of 27 CFR part 5.
